**ORDER GRANTING ASSENTED TO MOTION FOR MODIFICATION
OF ORDER GRANTING BSR REQUEST FOR ON-SITE EXAMINATION**

On December 14, 2011 an order issued granting the request of the BSR to conduct an on-site examination of certain LGC records. After consultation with all other parties, the respondent Andrews filed an “assented to” motion requesting the undersigned to modify a word in that order that arguably could be construed as having the effect of assigning the status or “broker-dealer” or “issuer-dealer” as used in RSA 421-A to LGC prior to an evidentiary hearing on the issue. As it was not the presiding officer’s intent to directly rule on that status or eliminate consideration of that issue prior to an evidentiary hearing, the motion is granted and the December 14, 2011 order is amended as follows:

- A. The third sentence in the second paragraph on page 9 of the December 14, 2011 order granting the on-site examination is modified by replacing the word “[a]s” with the word “[i]f.”

B. All other provisions of the December 14, 2011 order not inconsistent with this or other later issued orders remain in effect.

So ordered, this 3rd day of January, 2012
